

As mentioned in a previous Trinity Project Newsletter I am inviting you to join our 60/40 club the aim of which is to raise much needed money for the Trinity Project and in particular for the planned new extension to Holy Trinity Church. The new facilities provided by the Trinity Project (including meeting rooms, WC and kitchenette) will be available for use by the local community throughout the week – not just the church congregation, and anyone from the local community is welcome to join the club.

60% of monthly club income will go to the Trinity Project and 40% will be returned to members in the form of a monthly prize. The monthly subscription to purchase a number to be entered into the draw will be £5, either set up by monthly Standing Order or a minimum of 6 months subscription paid in advance by cheque. There is no upper limit to how many can join the club and no restriction on the number of memberships per household: the more the better, and the larger the monthly prize.

If you would like to join the Trinity Project 60/40 Club could you please fill in the attached form and return it to Chris Stafford or to Roy Beresford (contact details attached). Please note that to be included in our first draw (to take place on Sunday 3 April) subscriptions must be received by the last day of February.
